## Engineer developer

University (5 years completed) - Advanced  
13480 Cabriès  
Provence-Alpes-Côte d'Azur  
France

I am interested in the Software Engineering, Design and Development Object Oriented J2EE, Databases and Web Technologies. Taking responsibility in order to become Project Leader appreciated

## Work experience

---

Since  
October 2007

### **Engineer Sopra Group - J2EE Development**

Mission : Project : J2EE development of new portal applications (customer and employee).  
In parallel with the TMA Sopra, J2EE development of bug fixing and change requests of a dozen existing applications linked to the portal.

Means : Language:

- J2EE, LOG4J
- XML, JSP, Servlet, EJB: Beans, Javascript

FrameWork:

- STRUTS
- Hibernate
- Webservices
- SAP Web Dynpros, SAP Web Application Server, SAP Net Weaver Portal
- HTML B BY Component
- CMS FirstSpirit

Database:

- SQL Server
- Oracle
- Server Ajaris V3

Tools:

- SAP NetWeaver Developer Studio
- Eclipse / Tomcat
- CVS

Appraisal : Strong involvement and taking the responsibility of a project leader

February 2008  
February 2008

### **Engineer Sopra Group - Image Processing - JAVA Development**

Mission : JAVA Development of new features on a software for image processing

- Means : - JAVA Eclipse (JDK 1.5, JAI 1.3)  
- AWT / SWING

October 2007  
November 2007

### **Engineer Sopra Group - Development, Qualification, Technical expertise .Net**

Mission : Participation in the migration of the application WHF (World Helicopter Fleet) from VB6 to .Net (development 10d, Qualification 10d , Writing technical specifications 5d)

May 2007  
October 2007

### **Engineer Sopra Group - C++ Development - VPM / CATIA Support**

Mission : Initialization of a TMA Sopra in the service VPM / CATIA (documentation and organization)

- Catia Support, life cycle
- C/C++ Development of non-regression test for VPM
- C/C++ Development of Eurocopter change requests

Means : - C / C + + under Unix (Sun / Aix)

- Oracle 9i / SQL / PC
- Korn-Shell : SH/KSH
- VPM 1.5 / CatiaV4 / CatiaV5

Appraisal : Delivery of a set of non-regression test for VPM

March 2007  
May 2007

### **Engineer Sopra Group - J2EE Development**

Mission : In a TMA SOPRA, J2EE development of change request on a application called COSI (code for simulation studies of scenarios)

Means : - J2EE under Netbeans 5 (JUnit)

- MVC Structure
- UNIX (Sun) and Microsoft (W2000)
- XML
- SWING

November 2006  
February 2007

### **Engineer Sopra Group - J2EE Development**

Mission : As part of a project CMMI, J2EE development of a new Web application called DEPIL (Detection and deepening Faults and Incidents of cLients)

Means : - J2EE under IRWD: MAEVEN, JUNIT, LOG4J

- FrameWork STRUTS: JAVASCRIPT, JSP, EJB, XML
- LEGO FrameWork (PSA): OJB, ...
- Oracle 9i
- Procédure stockée : PL / SQL
- Microsoft (W2000)
- UML

Appraisal : Déveppement the application until the start of production

November 2006  
November 2006

### **Engineer Sopra Group - J2EE Analyst**

Mission : Redaction of a record of expressing needs for ANCARTA (reference materials card) (project developed in Offshore)

- Means : - former specifications  
- Model of the software

January 2006  
October 2006

### **Engineer Sopra Group - C++ Development VPM**

Mission : PLM: Maintenance and development (C/C++) of change requests on the management software (VPM) of product CAD (CATIA)

Means : - C / C + + under Unix (HP and Sun)

- XML
- DB2
- VPM / CatiaV4 / CatiaV5
- SAP user
- Workflow

October 2005  
November 2005

### **Engineer Sopra Group - J2EE Development**

Mission : J2EE Development of Change Request in a Web application for tracking vehicles: CORVET.

Means : - J2EE under WSAD (ANT, JUnit, Log4J)

- XML
- Oracle 9i
- MQSeries
- SWING
- Microsoft (W2000)

- April 2005  
September 2005 **Master Project - Image Processing - JAVA Development**  
Mission : JAVA Implementation on a software for imaging and automated techniques of vision  
Means : Neatvision (JAVA software)  
Appraisal : Measures on accurate images samples
- May 2004  
July 2004 **Watchman and switchboard at night**  
Mission : Regular replacement during my holidays
- May 2004  
July 2004 **Webmaster - Developpement PHP4**  
Mission : Creating a website in PHP4 and organization of a network with LINUX  
Means : PHP4, MySQL, Mandrake
- June 2003  
July 2003 **Trainee - Development VB6**  
Mission : Creation and implementation of a software tool for automotive networks  
Means : VB6 with Visual C + +  
Appraisal : A Tool Visual Basic 6
- November 2002  
December 2002 **Student**

Mission : "Mission entrepreneurship and new business"  
Means : market study, Business Plan  
Appraisal : Creating a trading company

## Diplomas and education

---

- September 2004  
September 2005 **DCU (Dublin City University) IRELAND**  
Master in Engineering in Electronics Systems  
Area of specialisation : Telecommunication
- September 2001  
August 2005 **Ecole des Mines d'Alès ALES (30)**  
Engineering School generalist (4 years)  
Area of specialisation : General
- September 2000  
September 2001 **High School Schweitzer in MULHOUSE (68)**  
Senior Class Preparatory Mathematics  
Area of specialisation : PCSI (Physics, Chemistry and Engineering Sciences)
- September 1998  
June 2000 **High School JJ Henner in ALTKIRCH(68)**  
Bachelor Scientific distinction

## Computing skills

---

### Software

Development Tools: ECLIPSE, SAP NetWeaver Developer Studio, WEBSHERE: WASD, IRWD, VI, EMACS, DEAMVEAWER, VISUAL STUDIO JBUILDER 9, NETBEANS, Tomcat, TOAD  
Equipment and Systems: PC WINDOWS AND LINUX, UNIX STATION (Aix, HP, Sun)

## **Languages**

Object Languages : JAVA, J2EE (1.4, 1.5), C + +

Other Languages: C, SQL, HTML, PHP, FLASH, JSP / SERVLET, JAVASCRIPT, UML, EJB, XML, MAEVEN, JUNIT, MATLAB, VISUAL BASIC 6, VB. NET, PL / SQL, WORKFLOW,

Frameworks : SAP WEB DYNPROS, HIBERNATE, STRUTS, HTML B, LEGO (internal PSA), CMS (Content Management System)

GUI: JAVA SWING THE GROUND

Databases: ORACLE 9i, DB2, MySQL, SQL Server

## **Language skills**

---

### **German**

Speaking competence : Fluent

Written competence : Fluent

### **English**

Speaking competence : Fluent

Written competence : Fluent

### **Chinese**

Speaking competence : School level

Written competence : School level

## **Various**
