### **Restaurant Manager**

**Mission:** Administrative and commercial Management,  
Accountancy (management of purchases, check on expenses),  
My rigour, my determination contributed to an important development of this company of the establishments for which I had the responsibility.

**Appraisal:** My capacities of analysis and the resolutions which I bring in problems met on the ground always allowed me to acquire results as high as envisaged objectives. Of a good presentation and a big relational wealth, I define myself readily as an autonomous, opened, loyal, dynamic person, in the listening of others, liking to take up challenges.
